

Academy J A E G A R

19th February 2018

Dear Recipient:

We are Jaegar Academy, a new community sporting hub based in Camberwell South East London.

The academy offers coaching to children between the ages of 4-11 incorporating fundamental to advanced skill set coaching. Our aim is to provide a fun and structured framework for children to learn new and expand existing abilities.

We are looking to recruit an experienced netball coach with drive, enthusiasm and a passion for netball to help deliver a development programme, which creates an environment where young children can see their progress and be rewarded when skill sets are secured.

The ideal person must have at least a Level 2 coaching qualification or working towards level 2, with up-to-date knowledge of netball technique, strength and conditioning. Coaches must have, or undertake a fully enhanced DBS check and hold a British passport, or valid visa with the right to work within the UK.

This is a paid position and all applicants must either have or undertake a fully enhanced DBS check and hold a British passport, or valid visa with the right to work within the UK.

Please contact Diana Mitchell in the first instance at coaches@jaegaracademy.com to register your interest.

Best Wishes
