REGIONAL LEAGUE RULES & REGULATIONS 2019/2020

1. ORGANISATION AND ADMINISTRATION

1.1 The Regional League shall be governed and managed by the Regional Management Board (RMB), which may delegate its powers and authority in this respect to any sub-committee or individual(s).

1.2 The decisions of the RMB, or its nominee(s), in respect of these rules and regulations and on any other matter related to the Regional League which is not provided for below, shall be considered final and binding on all parties (subject to the right of appeal which is specifically provided for under England Netball's Disciplinary Regulations).

1.3 These rules and regulations shall be subject and secondary to the application of England Netball's rules and regulations, especially Playing Regulations 5.1 and 6.2.

1.4 It is the responsibility of all Team Managers, Coaches and Captains to ensure that all Participants are conversant with the rules and regulations and the England Netball Codes of Conduct.

2. PLAYING QUALIFICATIONS AND ELIGIBILITY

2.1 Application for entry to the Regional League shall be open to any club or team which is Registered to England Netball through a County Association, which has paid its subscription in this respect, and which is situated within the boundaries of a County Association which is a member of the Regional Association – unless otherwise agreed by the RMB.

2.2 Entry to the Regional League will be determined by the RMB at its absolute discretion, subject to its reasonable application of the rules and regulations laid out herein, and having due regard to the playing standard of teams which wish to participate. In the same way, such casual vacancies as may appear from time to time will be addressed by the RMB in whatever way it sees fit.

2.3 The RMB may be entitled to charge an entry fee to the Regional League.

2.4 No club may enter more than one team in the Regional League.

2.5 By entering a team in the Regional League, clubs/teams agree that:

- They are conversant with and will abide by these rules and regulations, the England Netball Codes of Conduct and the England Netball Disciplinary Regulations.
- They are able and willing to fulfil the costs and commitments of participation in the Regional League

2.6 In order to qualify to participate in the Regional League, a player shall be female, a fully paid Member of England Netball and registered through a Member Club or a County Association within the London & South East Region.

2.7 A player may not play in 2 Geographically different Regional leagues (e.g. a L&SE Regional League and a South Regional League) during the same season.

2.8 All players must have paid their EN Membership and be marked as "active" on the ENgage Membership System prior to participation in the Regional League.

2.9 All players in the Regional League must be over 16 on 31 August / 1 September prior to the commencement of the League (subject to the provision below):

- An U16 player registered with a team in the Regional U16 League may **not** play in the Regional Senior League on the same fixture date.
- All players under the age of 18 must carry with them some proof of age as random checks may be carried out.

2.10 No U14 player at the date defined in clause 2.9 may play in the Regional Open League.

2.11 TEAM OFFICIALS (Bench Officials) & TECHNICAL OFFICIALS (Scorers, Timekeepers etc) –

- Must hold England Netball Membership for the current season.
- Coaches must be over 18 years of age.

2.12 Pregnant players – England Netball recommends that individuals (player, coach, umpire) if pregnant should only participate with approval from their doctor and in accordance with any guidelines issued by England Netball.

3. REGISTRATION OF SQUAD MEMBERS

Any team who knowingly and deliberately provides false information regarding identity of players when registering players or naming of players on team sheets may be subject to disciplinary action and may be expelled from the competition. Disciplinary action may be taken against the club.

3.1 Squad registration sheets must contain at least 12 players for each participating team and must be fully completed. Each team must then lodge the sheets with the Regional Registration Secretary and the Regional Office at least fourteen (14) days prior to the commencement of the Regional League.

3.1.1 Clubs must also submit their Club Roster Report (from the England Netball Membership system) showing players flagged as 'active' for the current Membership year (2019-2020) at least 14 days prior to the commencement of the Regional League, the latest date as specified on the Entry Form.

3.2 Teams may only use those players whose names appear on their squad registration list held by the Regional Office and League Registration Secretary.

3.3 Any additions to the squad sheets must be lodged with the League Registration Secretary and the Regional Office by midnight on Tuesday prior to playing the match.

3.3.1 If the additions are also new Members of the Club, a copy of the relevant England Netball Membership Receipt confirming payment must accompany the Registration document.

3.4 Once a player is registered or has played she cannot transfer to another club within the Regional League during the course of the current playing season, unless agreed by the RMB.

3.5 Each team must declare up to twelve (12) players prior to the start of each match by completing a team sheet/result card. Players' names must be completed in full. Umpires will ensure that completed team sheets are lodged with scorers prior to the game. Players not on the card prior to the start of the match may not take part.

3.6 Premier League Teams within the London & South East Region will be requested by the RMB to nominate their top 7 players before the start of the season. Any player submitted as a top 7 Premier League player cannot participate in or be a registered player of a Regional League team.

3.7 Players registered for a Regional Team may play up to and including 16 quarters for a Premier League Team. On the 17th occasion those players will become ineligible to play again in the Regional Team in the Regional League or the Regional League Playoffs.

4. STRUCTURE OF THE LEAGUE

4.1 The Regional League will be contested between as many teams as shall be determined by the RMB from time to time. The number of teams will not normally be less than eight.

4.2 Each team in the Regional League will play the others twice.

4.3 Teams will be awarded league points as follows:

- 5 points for a win
- 3 points for a draw
- 2 points for a loss within 5 goals (e.g. 40 – 36)
- 1 point for a loss over 50% goals scored (eg 40-21)
- 0 for a loss

4.4 A Regional League table will be compiled on the basis of the points awarded to each team. Where two teams are level on points:

- Goal average shall be used to determine their relative positions. Goal average will be determined by dividing goals scored by goals against.
- In the event that Goal Average does not differentiate between the teams then Goal Difference shall be applied, i.e., the team with the higher difference score over the course of the season shall take precedence.

- In the event that Goal Difference does not differentiate between the teams, then the team with the greatest number of goals scored shall take precedence
- Where one of the teams has its Goal Average, Goal Difference or total number of goals scored affected by cancellations, then the goals scored by and against defaulting team(s) shall be omitted from the calculations of both teams level on points. For example, in the event that one team received 5 points for a cancelled match, then the goals scored by and against both teams level on points, in all games against the offending team will not be included when its Goal Average or Goal Difference or total number of goals is calculated
- In the event that neither Goal Average nor Goal Difference nor goals scored can differentiate between the teams, the aggregate score in the match or matches played between them over the course of the season shall be calculated and precedence given to the winning team
- In the event that none of the above differentiates between the teams, the RMB, or its nominee(s), shall determine the means of differentiation

4.5 The team which finishes top of the Regional League at the end of the season will be the winners of the competition. They will be eligible for promotion, via play-offs, to the Premier League, and will contest a play-off involving other Regional League teams in accordance with Premier League rules. If the League winner is not eligible for promotion to the Premier League, the RMB, or its nominee(s), will determine the Regional representative (Club) to go forward (see Rule 5.1).

4.6 At the end of each season, any team or teams which are based in the region in which the Regional League is played, and which are relegated from the Premier League, will be automatically included within the Regional League Division 1 for the following season. The RMB, or its nominee(s), will determine the structure of the League (see Rule 5.5)

4.7 At the end of each season, relegation will take place from the Regional League in accordance with procedures agreed between the RMB and the organising committees of the County League operated by the constituent County Associations. Any team relegated from the Regional League will participate in the following season in the County League operated by the County Association to which they are affiliated.

5 PROMOTION AND RELEGATION

5.1 Winners and any other eligible 1st division team within the Regional League may be eligible to contest at a play-off for entry into the Premier League. In the event of either team not being able to accept the nomination of the region for the play-offs, the next highest placed team able to accept the nomination will represent the Region at a play-off for the Premier League.

5.2 Team 8 in Division 1 will normally be relegated to Division 2. Team 7 may be relegated subject to rule 5.5.

5.3 The winners of Division 2 will normally be promoted to Division 1. The second placed team may be promoted subject to rule 5.5.

5.4 Team 8 in Division 2 will be automatically relegated to the appropriate County League. Team 7 in Division 2 will be eligible for a play-off with other County Champion teams for entry to the Regional League Division 2.

5.5 In the event that the promotion and relegation of clubs under rules 5.1 to 5.4 would materially alter the structure of the Regional League, the RMB will make arrangements for the structure of the league as it deems appropriate.

5.6 Trophies will be awarded to the winning teams of each division.

5.7 In respect of the play-off competition to determine entry to the Regional League, competing teams are required to register a squad of up to 12 players one week prior to the competition.

5.8 The eligibility of players to compete for teams in the play-off competition shall be governed by rules 2.6 to 2.10 and the following criteria:

- 5.8.1 In respect of a team which has competed in the Regional League during the season, only players who have played for that team, and remain eligible to play, may be registered.
- 5.8.2 A player who has already played for a different club in the Regional League may not be registered.
- 5.8.3 A player who has played in the Premier League to the level outlined in Rule 3.7 above may not be registered.
- 5.8.4 In circumstances where a second team of a club entered in the Premier League is competing, a player may not be registered if that player has played in the Regional League to the level outlined in Rule 3.7.
- 5.8.5 Players registered must have played for that team in their qualifying competition (e.g. County League) during the season.

6. MATCH ARRANGEMENTS

6.1 Matches will be played at venues within the Region with adequate surrounds and ancillary facilities for approximately 30 participants, including changing and showering facilities for both sexes, in accordance with the documented Minimum Criteria, unless otherwise agreed by the RMB. Clubs are responsible for the full cost of hire of their facilities. The RMB will conduct a risk assessment of venues to ensure they are suitable. Umpires will conduct a risk assessment prior to each match to ensure that the venue is suitable for the match to be played.

6.2 The costs of venues for the League will be borne by the clubs, either directly or through the entry fee to the League. Where central venues are used, the RMB may be responsible for arranging the venue and setting the costs to be paid by the clubs. Clubs will be responsible for the costs and booking of their home venues.

6.3 All matches must be played on the date specified by the fixture schedule, or except as otherwise agreed by the RMB, and take place on the dates agreed by the RMB. Where the Regional League sets a reserve date, this must be used for the first postponed match.

6.4 Matches are to start between 10.00 am and 2.00 pm. Any dispute over start times will be determined by the RMB at its absolute discretion. The home team must provide their opponents with confirmation in writing of the match, its start time, and travel directions, including venue Post Code, at least 21 days prior to the date of the match.

6.5 All teams will be responsible for the costs and arrangement of their travel, and should allow sufficient time to cover any unexpected delays. Matches should start at the agreed start time, or as soon thereafter as both teams have the minimum number of players, required by the rules, to start the match. The umpires will be the sole judges of this.

If a team, or teams, are not able or willing to start the game 15 minutes after the agreed start time, the match may be forfeited and the non-offending team may be awarded the points for the match. The offending team may be deducted points in respect of a match not played.

The umpires and teams may be asked to submit reports on the circumstances to the RMB which will decide upon the result and the allocation of points.

6.6 No team may postpone or cancel a match without the agreement of the RMB. Matches which are postponed due to extreme and unforeseen circumstances or for any other reason; e.g., flash flood, heavy snowfall, must be played as agreed by the RMB.

6.7 If a team cancels a match or fails to fulfil a match, except as allowed for in rule 6.6

- The non-offending team will be awarded five (5) league points for the match, and the team which cancels will have five (5) league points deducted from their total
- The team which cancels may be liable to pay any costs which the non-offending team and match officials have incurred, subject to the deliberations of the RMB
- The playing of a friendly match will not constitute fulfilling a match, and the offending team will be deducted 5 league points.

6.8 If a match is cancelled, it is the responsibility of the home team to ensure that the Venue Co-ordinator, RMB, the opposition and both umpires are informed immediately the cancellation is known. Cancelled games will be played on a set date unless otherwise agreed by the RMB.

6.9 In the event that a match which is abandoned for any reason or not played as per rule 6.6; e.g., because of serious injury, the result or re-playing of that match will be determined by the RMB in whatever means it deems appropriate.

7. MATCH REGULATIONS

7.1 All matches shall be played to the INF rules of the Game currently in force in England at the time, except where specific regulations may apply.

7.2 All matches shall be of one hour's duration (i.e., four quarters of 15 minutes each). Each Quarter-time interval will be 3 minutes: Half-time will be 5 minutes.

8. MATCH OFFICIALS

8.1 Suitable Umpires identified by the RMB will be placed into a pool. Neutral umpires shall be allocated to each match by the Regional League Umpiring Co-ordinator and their appointment will be notified to the teams in advance of each match.

8.2 Clubs shall be responsible for providing the Regional League Umpiring Co-ordinator with confirmation in writing of all matches, their start time, and travel directions at least 21 days prior to the first fixture date in the Regional League match schedule.

8.3 The umpires' travel expenses will be a payment which shall be determined by the RMB.

8.4 In the event that an umpire fails to arrive, or is injured or taken ill during a match, the following procedure will be applied, subject to the agreement of both teams:

- If another umpire of the appropriate standard is available then she/he will umpire the match
- Failing that, the next best-qualified umpire should be used
- The RMB must be informed immediately after the match.

11.2 Where the Complaint relates to the governance or administration of the Regional League by the Competition TSG, such Complaints will be dealt with under the Complaints Procedure of the London & South East Region Netball Association.

12 APPEAL OF COMPETITION REFEREE DECISION

- 12.1 The decision of the Competition Referee in relation to a complaint submitted in accordance with section 11.1.1 shall be final and binding on all parties save that a party has a right to appeal in the following circumstances:
- a. If the decision has a potential impact on a match result, a league table, or the outcome of the Competition;
- AND**
- b. If there has been a failure by the Competition Referee to follow or act in accordance with these Rules and Regulations or the Competition Referee reached a decision on the basis of an error of fact.

These are the only grounds of appeal and any appeal must be submitted in accordance with the appeals process.

12.2 An appeal should be forwarded in writing from the Secretary of the appealing Team to the Competition Referee, within 72 hours of receiving the decision, who will refer it to Regional Management Board.

12.3 The appeal shall be accompanied by a cheque for £100 which shall be returned if the appeal is upheld or if there are any other extenuating circumstances. The Competition Appeals Committee (CAC) will decide whether the extenuating circumstance warrant the cheque being returned.

12.4 The Regional Management Board will establish a CAC which will consist of individuals that are independent of and not connected to the Regional League. One of those individuals will be appointed as the Chair.

12.5 The Chair of the CAC will send the appeal to the opposing Team and any other Team the CAC believe could be affected by the outcome of the appeal. These Teams will be permitted seventy two (72) hours, from the date the appeal notice is sent from the CAC to submit any evidence or submission that they wish the CAC to consider.

12.6 All submissions and evidence must be submitted in writing. The Chair of CAC will have the discretion to determine the process, procedure and direction of the appeal.

12.7 The CAC shall meet and reach a determination within seventy two (72) hours of receiving all the evidence and submissions.

12.13 If the circumstances require a decision to be taken sooner than provided for by this section, and all parties to the appeal consent, the timetable within which an appeal is raised, submissions made and the decision taken can be shorter than seventy two (72) hours stated in this Section. In such cases the CAC shall issue a revised directions timetable which shall be binding on all parties

13. MISCELLANEOUS PROVISIONS

13.1 All clubs will be held responsible for their players, officials and spectators.

13.2 It is the responsibility of each team to provide adequate first aid cover for its players which shall also be made available to the match officials on request.

13.3 Jewellery/Medic Alert Bracelets

- All jewellery must be removed when playing netball, and players wearing jewellery (including body piercing) will not be allowed on court. The following exceptions will apply:
- Wedding rings may be worn, but must be taped
- Medic alert bracelets may be worn, but must be secured in such a manner that they will not constitute a danger to an opponent, i.e., with clear tape, and in such a way that it cannot be removed/lifted off by any accidental contact

13.4 Head Covering.

The priority must be to encourage increased participation in sport, with sensitivity to the religious practices and cultural differences, together with the safety of all participants. With this in mind the player, together with the coach/teacher/parent etc. should ensure that the material used for the head covering is soft, without embellishments which might constitute a danger and with potential flowing/flapping edges held securely around the neck or tucked into shirt collar. It should be as neat and secure as possible.

Baseball caps etc are not permitted.

13.5 Gloves.

No form of glove may be worn when playing netball. If for medical reasons gloves are required, then on production of an appropriate medical certificate, the RMB may allow gloves to be worn. Umpires are advised that if a medical certificate is produced and gloves are worn they should be plain, soft, leather type gloves, seamless or with internal seams. These players are then to be advised to have Personal Liability Insurance. Umpires are reminded that they still have to be satisfied that any gloves worn do not present an obvious hazard to other players.

Please note that if gloves are worn this does not supersede the international ruling on nails.

13.6 Hair.

In the interest of safety, players who have long hair tied in a pony tail must ensure that it does not present a hazard by allowing it to swing in the faces of other players.

SAFEGUARDING & CHILD PROTECTION ISSUES

Initially, the home Team Manager and/or Venue Co-ordinator must be advised, then the Regional Unit at the earliest opportunity.

The Lead Child Protection Officer in England Netball for safeguarding and child protection can be contacted on **07595 863991**. They will source specialist advice and support on these issues as appropriate. They can also be e-mailed at: **besafe@englandnetball.co.uk**

If you receive any enquiry which is about, or relates to, a child protection concern or issue, please pass this directly and immediately to the Lead Child Protection Officer. This includes written and verbal information. It is also important that confidentiality is maintained in these matters, so once you have passed it on, please do not communicate information on such an enquiry to anyone other than the Lead Child Protection Officer.

See the England Netball website for more information on Safeguarding & Protecting Young People in Netball: <http://www.englandnetball.co.uk/the-game/safeguarding>

PHOTOGRAPHY GUIDELINES

It is the responsibility of the home team and/or Venue Co-ordinator to ensure that photography does not take place unless permission has been obtained.

- Any individual wishing to engage in any video, zoom or close range photography (including camera phone technology), must register their details with the home team and/or Venue Co-ordinator before carrying out such photography.
- The photographer/camera person will be issued with official London & South East Region identification and this must be clearly displayed throughout the event whilst engaging in video recording or photography.
- Any individual taking part in photography without official accreditation should expect to be challenged by the home team and/or Venue Co-ordinator.
- Anyone who has a concern regarding the inappropriate use of photographic equipment should report these to the home Team Manager and/or Venue Co-ordinator.
- The home team and/or Venue Co-ordinator will challenge any person deemed to be using photographic equipment in an inappropriate manner.
- All children featured in recordings and photography must be appropriately dressed with outer clothing garments covering their torso from at least the bottom of the neck to their thighs, (i.e. minimum of vest/shirt and skirt or one-piece dress).
- The photography or recording should focus on the activity not the individual. Where possible the imagery of children/young people should be recorded in groups (the groups may consist of any combination of adults and children).
- No child or young person should be unsupervised while partaking in one-to-one shoots or interviews at England Netball events.
- No photography or recording should take place outside of the event or at a netball player's home.
- Images of any child or young person who is under a court order should not be recorded or published.

Procedure for photography/filming at Regional League:

1. Anyone wishing to film or take pictures must sign in with the home Team Manager and/or Venue Co-ordinator, and complete the form stating who they wish to film/photograph.
2. Permission from the Team Managers of the teams must be sought for this to happen. If the Team Manager agrees then they must sign to say they agree. If an adult or U18 within a team does not wish to be filmed/photographed then this cannot take place during a game.

Please note: it is the responsibility of Team Managers to ensure that they have parental permission for any player in their team who is U18 for filming/photography. If the Team Manager does not give permission, then filming/photography is not permitted during that game.

Age Banding Guidance and Support

In the interest of fair and enjoyable participation in netball, it is recognised that the development of players, may make it desirable for them to train and/or play above their age band. England Netball has developed this Guidance for use in considering the appropriateness of a young person taking part in activities above their age band, with the welfare of that young person being paramount in that decision. This Guidance applies to requests for any young person to be allowed to take part in activities with others above their age band at England Netball national events and it is recommended for Regional and County activities.

The following Age Banding restrictions for all competitions as follows:

- Any athlete competing in Adult competition must be over the age of 14
- Any athlete competing in U19 competition must be over the age of 14 and Under 19
- Any athlete competing in U16 competition must be over the age of 14 and Under 16
- Any athlete competing in U14 competition must be over the age of 11 and Under 14

(All ages are taken at 11.59pm on the 31st August immediately prior to the competition)

(These are recommended Age Banding guidelines, please refer to specific competition regulations to confirm eligibility)

These restrictions are in place to ensure that all teams apply the same age limits and to ensure the protection of potentially vulnerable players. In some exceptional circumstances, a player may demonstrate a level of skill and maturity that suggests they may be more suited to taking part in an activity at a higher age band. In these circumstances, representatives from the club/school (Coach and Club/School Safeguarding Officer) along with the parent should complete an assessment that will assist them in making the decision about that young person's suitability to play outside of their Age Band.

The Process

A Level 2 Coach, Club/School Safeguarding Officer and the parent(s) or carer(s) of the player, must complete an Age Banding form, available from the England Netball website. This form should be used by all of the above individuals and if agreed between all parties, the form should be signed by all parties and sent through to the relevant Competition Organiser for the competition the player is being requested age banding permission to play in, alongside any other required registration forms or entry sheets. Upon receipt of this form by the Competition Organiser, the player is eligible to compete in the competition.

This process must be repeated for each season and individual competition. Where a form has been completed for a player at a certain round of a competition (eg County Round of National Schools) and the team progress to the next level (eg Regional Round), the form must be resubmitted to the competition organiser of that round to ensure the player is eligible.

Safeguarding Considerations

England Netball supports player development at every level and aims to ensure that through guidance and provision, opportunities for this can be made available for all. Young netballers develop at different rates and therefore the opportunities they require or request may not always be based on their chronological age. England Netball have therefore developed this Guidance to assist schools, clubs, parents and players in making informed decisions about the suitability of individuals to “play up” from their age band.

Those closest to a player are best placed to make judgements on their emotional, social and physical development and maturity and, their readiness to “play up”. For this reason, England Netball has determined that the only meaningful way for decisions to be made on the appropriateness of a player playing above their age group, is by these people. The list below shows those that should work together to assess the suitability of a player to “play up”;

- Parent
- Level 2 Coach
- Club/School Safeguarding Officer

The coach is best placed to judge the young person’s physical development and skills level. They should consider:-

- The position within the team which the young person usually plays and the one which they would be playing in if they played up;
- The young person’s physical development in comparison to the other team members, including opposition;
- The potential impact on the team mates and opposition of the young person;
- The young person’s social and personal development, particularly in regard to their resilience for coping with new environments and greater demands;
- The benefits for the young person’s development (physiological, physical, tactical, technical etc)

In all decisions, the welfare of the young person is paramount. This means their personal development and enjoyment of an activity are key determinants in reaching the decision, not the needs of a team or the attainment of results.

When considering whether an individual is suitable to play above their age band, a risk assessment of the playing environment in which it is suggested the young person play, should be carried out. The whole event should be assessed including the training and any game environment, transport arrangements and changing facilities, to ensure that a safe environment for that young person exists. Where any identified risks are noted, consideration should be given to whether and how those risks can be minimised. Where the risks cannot be minimised, the decision should side toward caution.

The risk assessment and risk management measures should be shared and discussed with the player, parent(s)/carers and the Club/School Safeguarding Officer.

As the Club/School Safeguarding Officer is responsible for ensuring that local arrangements for the safeguarding of young people are adequate, this person has an independent role in assessing the decisions of the coach. Their opinion must be sought and taken into account.
