- 3 points for a draw
- 2 points for a loss within 5 goals (e.g. 40 – 36)
- 1 point for a loss over 50% goals scored (eg 40-21)
- 0 for a loss

4.4 A Regional League table will be compiled on the basis of the points awarded to each team. Where two teams are level on points:

- Goal average shall be used to determine their relative positions. Goal average will be determined by dividing goals scored by goals against.
- In the event that Goal Average does not differentiate between the teams then Goal Difference shall be applied, i.e., the team with the higher difference score over the course of the season shall take precedence.
- In the event that Goal Difference does not differentiate between the teams, then the team with the greatest number of goals scored shall take precedence
- Where one of the teams has its Goal Average, Goal Difference or total number of goals scored affected by cancellations, then the goals scored by and against defaulting team(s) shall be omitted from the calculations of both teams level on points. For example, in the event that one team received 5 points for a cancelled match, then the goals scored by and against both teams level on points, in all games against the offending team will not be included when its Goal Average or Goal Difference or total number of goals is calculated
- In the event that neither Goal Average nor Goal Difference nor goals scored can differentiate between the teams, the aggregate score in the match or matches played between them over the course of the season shall be calculated and precedence given to the winning team

- In the event that none of the above differentiates between the teams, the RMB, or its nominee(s), shall determine the means of differentiation

4.5 The team which finishes top of the Regional League at the end of the season will be the winners of the competition. They will be eligible for promotion, via play-offs, to the Premier League, and will contest a play-off involving other Regional League teams in accordance with Premier League rules. If the League winner is not eligible for promotion to the Premier League, the RMB, or its nominee(s), will determine the Regional representative (Club) to go forward (see Rule 5.1).

4.6 At the end of each season, any team or teams which are based in the region in which the Regional League is played, and which are relegated from the Premier League, will be automatically included within the Regional League Division 1 for the following season. 5.2 Team 8 in Division 1 will normally be relegated to Division 2. Team 7 may be relegated subject to rule 5.5.

5.3 The winners of Division 2 will normally be promoted to Division 1. The second placed team may be promoted subject to rule 5.5.

5.6 Trophies will be awarded to the winning teams of each division.

5.7 In respect of the play-off competition to determine entry to the Regional League, competing teams are required to register a squad of up to 12 players one week prior to the competition.

5.8 The eligibility of players to compete for teams in the play-off competition shall be governed by rules 2.6 to 2.10 and the following criteria:

6.8 If a match is cancelled, it is the responsibility of the home team to ensure that the Venue Co-ordinator, RMB, the opposition and both umpires are informed immediately the cancellation is known. Cancelled games will be played on a set date unless otherwise agreed by the RMB.

### 13. MISCELLANEOUS PROVISIONS

13.1 All clubs will be held responsible for their players, officials and spectators.

13.2 It is the responsibility of each team to provide adequate first aid cover for its players which shall also be made available to the match officials on request.

#### 13.3 Jewellery/Medic Alert Bracelets

- All jewellery must be removed when playing netball, and players wearing jewellery (including body piercing) will not be allowed on court. The following exceptions will apply:

- Medic alert bracelets may be worn, but must be secured in such a manner that they will not constitute a danger to an opponent, i.e., with clear tape, and in such a way that it cannot be removed/lifted off by any accidental contact

#### 13.4 Head Covering.

The priority must be to encourage increased participation in sport, with sensitivity to the religious practices and cultural differences, together with the safety of all participants. With this in mind the player, together with the coach/teacher/parent etc. should ensure that the material used for the head covering is soft, without embellishments which might constitute a danger and with potential flowing/flapping edges held securely around the neck or tucked into shirt collar. It should be as neat and secure as possible.

Baseball caps etc are not permitted.

#### 13.5 Gloves.

No form of glove may be worn when playing netball. If for medical reasons gloves are required, then on production of an appropriate medical certificate, the RMB may allow gloves to be worn. Umpires are advised that if a medical certificate is produced and gloves are worn they should be plain, soft, leather type gloves, seamless or with internal seams. These players are then to be advised to have Personal Liability Insurance. Umpires are reminded that they still have to be satisfied that any gloves worn do not present an obvious hazard to other players.

Please note that if gloves are worn this does not supersede the international ruling on nails.

#### 13.6 Hair.

In the interest of safety, players who have long hair tied in a pony tail must ensure that it does not present a hazard by allowing it to swing in the faces of other players.
