4.2 The winners and runners up from the National U14 Clubs Regional Round shall progress to the National U14 Club Finals, providing they meet the eligibility criteria outlined in these regulations. - 3 points for a draw
- 1 point for **more than** 50 per cent of the winners' score
- 0 points for a loss

4.4 National U14 Clubs competition tables will be compiled on the basis of the points awarded to each team. Where two teams are level on points:

- a) Goal average (goals for divided by goals against) shall be used to determine their relative positions, i.e., the team with the higher average score over the course of the competition stage shall take precedence.
- b) In the event that goal average does not differentiate between the teams, then goal difference shall be applied, i.e., precedence shall be given to the team with the greater difference between goals scored and goals conceded.
- c) In the event that goal difference does not differentiate between the teams, then the result of the group match between the two teams will be the decider.
- d) In the event that the group match result does not differentiate between the teams, then the team with the greatest number of goals scored shall take precedence
- e) In the event that neither goal average nor goal difference nor the group match result nor goals scored can differentiate between the teams, the winner will be decided by a playoff game(s), the format of which shall be determined by the Competition Referee.
- f) Playoff game(s) where applicable – in the event of a draw at full time the following will apply:
 - i. There will be extra time of two (2) minutes each way;
 - ii. **Teams change ends immediately after full time, and the centre pass is taken by the Team entitled to the next centre pass**
 - iii. The Teams will change over at half time without a break;
 - iv. In the event of a draw after the full period of extra time, play will continue without a break, until the next goal is scored, whereupon the Team which scores that goal will be the winners.

Note - Where one of the teams has its goal average, goal difference or total number of goals scored affected by conceded fixtures, then all goals scored by and against conceding team(s) in all fixtures shall be omitted from the calculations of both teams level on points. For example, in the event that one team received 5 points for a conceded fixture, then the goals scored by and against both teams level on points, in all games against the offending team, will not be included when its goal average, goal difference or total number of goals is calculated

11.2 An appeal should be forwarded in writing from the Team Manager of the appealing Team to the Regional Office within 72 hours of receiving the decision. A Competition Appeals Committee (CAC) will then be established consisting of individuals that are independent of and not connected to the Competition.

These Teams will be permitted seventy two (72) hours, from the time the appeal notice is sent from the CAC to submit any evidence or submission that they wish the CAC to consider.

11.5 All submissions and evidence must be submitted in writing. The Chair of the CAC will otherwise have the discretion to determine the process, procedure and direction of the appeal.

11.6 The CAC shall meet and reach a determination within 72 hours of receiving the evidence and submissions.

11.8 The CAC shall have the delegated power of the L&SERNA to make all decisions and impose and enforce any penalties and/or sanctions (including but not limited to, reprimands, the deduction of points, fines, suspensions and expulsions from the competition) relating to the appeal.

11.9 The procedures in this Section 11 shall be governed by the Arbitration Act of 1996 and amount to a binding arbitration agreement for the purposes of Section 6 of that Act. For the avoidance of doubt, there shall be no further right of appeal against the decision of the CAC.

11.10 The parties also waive irrevocably their right to any form of appeal, review or recourse to any court or other judicial authority, or under England Netball's Disciplinary Procedures Manual or otherwise, insofar as such waiver may be validly made.

11.11 If the circumstances require a decision to be taken sooner than provided for by this rule 11, and all parties to the appeal agree, the timetable within which an appeal is raised, submissions made and the decision taken can be shorter than the 72 hours stated in this section. In such cases the CAC shall issue a revised timetable which shall be binding on all parties.

- c) if a substitute is not available, the team must play on with only six players. If the player with bleeding is the Centre, one player must take the place of the Centre.

12.2 L&SERNA will not be liable to any person, whether in contract, tort (including negligence) or otherwise for any direct or indirect loss or injury of any nature, howsoever caused and howsoever arising from the matters covered by these Regulations, provided that nothing in these Regulations excludes or restricts England Netball's liability for any personal loss or injury caused by England Netball's own negligence, the negligence of its employees, or for fraud.

12.3 All participants acknowledge that participating in the sport of netball involves a risk of personal injury and by taking part in National U14 Clubs, whether as a player, team member, team official, other official or spectator, each participant does so at their own risk.

12.4 If any of these Regulations are held by any competent authority to be invalid or unenforceable, the remainder of the Regulations shall not be affected thereby.

12.5 These Regulations shall be governed by and interpreted in accordance with English law.

12.6 Any questions regarding these Regulations can be addressed to the Regional Office.

13 JEWELLERY/MEDIC ALERT BRACELET/HEADCOVERING/GLOVES

13.2 Head Covering

The priority must be to encourage increased participation in sport, with sensitivity to the religious practices and cultural differences, together with the safety of all participants. With this in mind the player, together with the coach/teacher/parent etc. should ensure that the material used for the head covering is soft, without embellishments which might constitute a danger and with potential flowing/flapping edges held securely around the neck or tucked into shirt collar. It should be as neat and secure as possible.

Baseball caps etc are not permitted.

13.3 Gloves

No form of glove may be worn when playing netball. If for medical reasons gloves are required, then on production of an appropriate medical certificate, the Tournament Referee may allow gloves to be worn. Umpires are advised that if a medical certificate is produced and gloves are worn they should be plain, soft, leather type gloves, seamless or with internal seams. These players are then to be advised to have Personal Liability Insurance. Umpires are reminded that they still have to be satisfied that any gloves worn do not present an obvious hazard to other players.

Please note that if gloves are worn this does not supersede the International ruling on nails.

14.4 Hair

In the interest of safety, players who have long hair tied in a pony tail must ensure that it does not present a hazard by allowing it to swing in the faces of other players.

13.3 CLOSE RANGE PHOTOGRAPHY

The England Netball Duty of Care guidelines require that any person wishing to engage in any video, zoom or close range photography should register their details with the Tournament Referees in the Registration area before carrying out any such photography.
